

DS-M1

- ✓ Fastest program completes sintering in 120 minutes.
- ✓ Large capacity design allows for simultaneous accommodation of 3 sintering trays.
- ✓ Stores 20 sintering programs for easy access to porcelain block firing parameters.
- ✓ Five-stage temperature control ensures superior and more translucent sintering results.

Parameters			
Rated Voltage	220V±10%	Fuse1	2x-380V 16A
Rated Frequency	50 Hz	Fuse 2	~250V 0.5A
Rated Power	2000W	Fuse 3	~250V 1A
Protection Class	IP21	Fast-acting Fuse	~500V 32A`
Dimension	51.5*32*62 cm	Net Weight	62Kg
Package Dimension	64*53*76 cm	Gross Weight	79Kg
